F 19A. 40 (2) W dt 2nd Feby. 42 inviting reference to Defence Co-ordination Dept notifications dt 20th Jan. & 21st Jan. 42.

This reference is invited to the orders issued regarding publication of notifications etc in the Mysore Gazette: and also to the Home Minister's minute dt 21st Jan. 42 re. the publication of notifications of Enemy Trains etc. These notifications are not published in the Provincial Gazette or other State Gazettes. The Government of India publish it as a Gazette Extraordinary and is for sale to the public. By the time it is published in the Mysore Gazette some alterations and additions are made by the Govt of India to the original notifications since the notifications cover a number of pages it is for consideration whether the notifications need be republished in the Mysore Gazette. The notifications re. Enemy Trains in India will be republished, as usual, as also matters of general interest.

RS 6/2

It does not appear to be necessary to republish the matter in the Mysore Gazette.

9) The notification of enemy persons etc. of the Government of India has been issued under rule 97(d). The rule reads as follows:-

"For the purposes of this part the expression 'enemy' means any other person or body of persons declared by the Central Government to be an enemy."

It is seen therefore that it is the issue of a notification under this clause that gives the person or body of persons the character of enemy.

10) As applied to Mysore, this rule would require that the Government of Mysore should notify the person or body of persons before it can become an enemy for the purposes of part XV of the said rules. Mere republication does not therefore appear to be sufficient if a person or body of persons should be clothed ~~cloaked~~ with the character of an enemy. It appears necessary in the circumstances that the list should not merely be republished but should be re-notified under our counterpart of rule 97(d) of the rules.

11) As the firms and persons, notified to be an enemy by the Government of India, are firms etc. which are carrying on business in neutral countries also, no other clause of rule 97 will apply to them.

Hm 2 9.2.42

1) The Defence of India Act has been applied to Mysore by Act XXVI of 1939. Under the rule-making power thus vested in Government, the British Indian Rules have been applied mutatis mutandis and subject to amendments made in British India from time to time.

2) It is thus open to us to amend the definition of "enemy" in rule 97(d). But as the British Indian Rules have been adopted wholly, and as under our notification amendments made in British India apply to Mysore also, it may lead to some confusion and conflict if the rules bodily adopted were to be amended by us here.

3) It would be perhaps simpler if a notification is issued under rule 97(d) of the rules as applied to Mysore to the effect that any person or body of persons declared by the Central Government to be an enemy shall be considered an enemy in Mysore also. This will obviate the need for re-notification.

4) Even in such a case, it appears desirable that the list is republished in Mysore so that persons in Mysore may be affected with notice thereof. A mere

notification drawing attention to declarations by the Government of India appears to be insufficient for this purpose.

The following Press Communique, dated 14th August 1941 issued by the Government of India, Commerce Department, on the Legislation of transactions in coffee, including forward sales is republished for general information.

PRESS COMMUNIQUE.

COFFEE CONTROL SCHEME.

It is understood that transactions in coffee, including forward sales, are likely to be enterred into by owners of Coffee Estates on the assumption that legislation on the lines of existing Indian Coffee Market Expansion Ordinance will be undertaken but that such legislation would accord a measure of immunity from control to contracts for the sale of coffee for forward delivery. The terms of any such prospective legislation will be formulated in consultation with the coffee industry and it is not possible to forecast them at present.

The Government of India desire to emphasize that persons who now speculate upon the probable terms of any such legislation do so entirely at their own risk. If and when legislation comes, into force, representations for the special treatment of the transactions referred to above are not likely to receive any special consideration.

TRADING WITH THE ENEMY JOINT INSURANCE COMMITTEE

Dear Sirs,

The Joint Committee have been informed by the Trading with the Enemy Branch that the Compagnie d'Assurances Generales contre I'Incendie et les Explosions, Paris, has registered the name "The General Security Assurance Corporation of New York", apparently for the purpose of incorporating a company under that name and doing business in the U.S.A. The attention of Insurers is drawn to the fact that the Corporation, if and when established, must be regarded as a concern controlled from France and that, in accordance with the announcement in the circular of the 19th July under the heading "Reinsurance Contracts with French Insurance or Reinsurance Companies", reinsurance relations between British Insurers and the Corporation are not permissible.

Yours faithfully,
G.C.PORTEOUS,
Secretary.

CREDITORS IN ENEMY TERRITORIES
PAYMENT TO BE MADE TO CUSTODIAN.

Attention is drawn to Government Notification of December 8 which makes it obligatory on persons to pay to the Custodian of Enemy Property debts due by them to any individual or body of persons, whether corporate or incorporate, carrying on business in enemy territory.

As all territory in the occupation of the enemy is "enemy territory" for the purpose of the Defence of India Rules, the state of war now existing between India and Japan makes it obligatory on persons to pay to the Custodian of Enemy Property debts due to creditors carrying on business in all territories in the occupation of Japan including those parts of China in such occupation.

The public are accordingly advised that if they are in doubt as to whether the business creditors are in enemy occupied territory they should deposit, under advice to the Custodian of Enemy Property, the relative amounts as and when they fall due with a scheduled bank in India (if nominated by the debtor) for credit to a blocked account in the name of the creditors. This account will be subject to the Custodian's control until the creditor's status has been established.

Debts due to other persons (e.g. enemy subjects abroad, individuals resident in enemy territory, or body of persons constituted or incorporated in enemy territory or under the laws of a State at war with His Majesty) whose property is beyond dount vested in the Custodian by any of the previous Government Notifications should continue to be paid direct to the Custodian within two months of the application of the vesting order.

Minute dated 29th December 1941 by the Minister for Law.

It is necessary to economise paper and also work in the Press in the present emergency.

The Mysore Gazette contains a lot of matter which is not required to be published in it by Statute.

I would suggest that the Gazette be reduced in size by omitting all non-statutory matter from it, except the Season Report and the prices and mortality statements. Part I may also be omitted as there is a separate publicity Department functioning.

I have noted for the consideration of the Dewan and Minister L.S.G. the issue of 11-12-1941, matter that may be omitted.

Gazette to be sent to Dewan & Minister, L.S.G.

A detailed examination may be made by the Secretariats concerned as to which classes of Notifications, Advertisements etc., could be omitted without infringing the law or causing inconvenience. In some instances it would seem sufficient to publish an abstract of the notifications etc., referring the public to the offices concerned for further particulars if desired. The question of issuing the Gazette once a fortnight instead of every week may also be considered.
